

HOW DOES MOSES COMPARE TO JESUS? / *Hebrews 3:3*

Moses:

served as a prophet

honored God as a servant

led God's people out of bondage
from Egypt

administered the law

received the law from angels

sinned

died and was buried

had a ministry that could only
condemn, not save

had a fading glory

Jesus:

served as the greatest of prophets

remains honored as God's Son

leads people out of bondage to sin

fulfills the law

receives worship from angels

never sinned

died, but rose from the dead

has a ministry that brings righteousness
and eternal salvation

has glory that is eternal
