

JESUS' PROPHECIES IN THE OLIVET DISCOURSE / *Mark 13:8*

In Mark 13, often called the Olivet Discourse, Jesus talked a lot about two future events: the end times and his second coming. Jesus was not trying to encourage his disciples to speculate about exactly when he would return by sharing these prophecies with them. Instead, he was urging all his followers to be watchful and prepared for his second coming. Serve Jesus faithfully now and you will be ready for his return.
