

ISRAEL'S COMPLAINING / *Numbers 11*

	Complaint	Sin	Result
11:1	About their hardships	Complained about their problems instead of praying to God about them	Thousands of people were destroyed when God sent a plague of fire to punish them
11:4	About the lack of meat	Coveted things they didn't have	God sent quail; but as the people began to eat, God struck them with a plague that killed many
14:1-4	About being stuck in the wilderness, facing the giants of the Promised Land, and wishing to return to Egypt	Openly rebelled against God's leaders and failed to trust in his promises	All who complained were not allowed to enter the Promised Land, being doomed to wander in the wilderness until they died
16:3	About Moses' and Aaron's authority and leadership	Were greedy for more power and authority	The families, friends, and possessions of Korah, Dathan, and Abiram were swallowed up by the earth. Fire then burned up the 250 other men who rebelled
16:41	That Moses and Aaron caused the deaths of Korah and his conspirators	Blamed others for their own troubles	God began to destroy Israel with a plague. Moses and Aaron made atonement for the people, but 14,700 of them were killed
20:2-3	About the lack of water	Refused to believe that God would provide as he had promised	Moses sinned along with the people. For this he was barred from entering the Promised Land
21:5	That God and Moses brought them into the wilderness	Failed to recognize that their problems were brought on by their own disobedience	God sent poisonous snakes that killed many people and seriously injured many others
